FOR IMMEDIATE RELEASE

Top of the North West For Sandbach Gymnastics

Gymnast Amy Taylor has been selected to represent **the North West** at the **National Finals** in Guilford, in November this year. Amy will be competing against other young hopefuls from the twelve regions of the country. This is the second of two competitions where the combined score will determine the national champion for the 10 years age band. We are hoping for Amy to secure a top 10 position at this stage in her development. In the North West, Amy won a **Gold** medal for **Beam**, **Silver** medal for **Floor** and **Silver** medal on **Bars**. She was missed out on the overall gold position by 0.092 marks.

This will be Amy's fourth National Final and each year her confidence and results have improved her national rankings.

Hannah McBride and Carrie Smith also competed and were ranked 8th and 7th position within the North West. All the girls produced high standard routines competing at their capacity.

Coaches Tracy Cooper and Pete Aldous are happy with dedicated training of the girls which is rewarding themselves and Sandbach Gymnastics with such high results.

For more information on classes please contact Tracy Cooper on 01270 767491.
