CHARLIE Fellows is a new British champion.

The 12-year-old Sandbach Gym Club starlet won her age category at the British Schools Championships at Newcastle-upon-Tyne.

The youngster was part of the North West squad along with Sandbach team-mate

Charlie, who attends Ruskin Sports College in Crewe, won the individual event and helped her junior team to third overall.

Coaches Peter Aldous and Tracy Cooper said: "Charlie's success continues to motivate everybody involved within Sandbach gymnastics. "She is a talented and very hard-working gymnast who has a very bright future ahead of her. "She has her first British Championships in a couple of months and the schools competition should be encouraging for her as she competed against most of her competitors there.

They added: "We'd like to thank the Charlie's schools for their continued support." Charlie is part of GB's World Class Start National Squad based at Loughborough and the National Sports Centre at Lilleshall.

Charlie trains around 25 hours per week at the Sandbach Gymnastics base at Millbuck Park. The club, which was launched in Bradwall Road in 1991, caters for more than 400 children each week. The centre offers gymnastics from beginner to international standard, for girls and boys aged four-16.

The club has been represented at international level in Belgium, Sweden, Holland, USA, Australia, Hungary, Romania and Italy.

Classes are on weekday evenings and Saturday mornings.
